VPK ATTENDANCE POLICY

As part of the state funded Voluntary Pre-Kindergarten program, we are subject to strict attendance guidelines.

- Our VPK program begins promptly at 9:00 a.m. and ends at 12:00 p.m.
- Drop off time begins each morning at 8:55 a.m.

Children who do not attend on a regular basis are routinely late; or leave the program early will be referred to the director for counseling. An effort to assist in improving attendance issues will be documented and inability to resolve the attendance problem may result in your child being dismissed from our VPK program and referred to the Early Learning Coalition of Lake County.

Chronic tardiness is defined as late arrival or early departure more than once per week. Chronic absenteeism is defined as missing more than 20% of the monthly school days without a medical excuse or other reasonable explanation.

Only 20% of the 180 school days (or 36 days) absent are permitted. Should your VPK student exceed the maximum allowed days absent they may be unenrolled in the program.

Parents will be required to sign a monthly VPK attendance verification form. This information will be shared with the Early Learning Coalition of Lake County.

I have read and understand the attendance policy.

HAND SANITIZER PERMISSION

“Rule 65C-22.002(8)(a)(2), Florida Administrative Code requires that employees, volunteers, and children shall wash their hands with soap and running water, drying thoroughly and follow personal hygiene procedures for themselves, or while assisting others, and immediately after outdoor play.

Our school’s current policy is to wash our hands frequently (in the morning before entering the classroom, before snack time, after each time we use the restroom, after blowing our noses, after playground time, and before lunch). Our school does supplement hand washing with the use of hand sanitizer in the classroom. The use of hand sanitizer is supervised by your child’s teacher.

Please remember that hand sanitizer may NOT take the place of soap and running water. Also, hand sanitizer should NEVER be accessible to children or used by children without the appropriate supervision or without following the instruction label. The Department recommends obtaining written consent from the parent and/or guardian prior to children using hand sanitizer.”

I hereby acknowledge that my child’s school supplements hand washing with the use of hand sanitizer in the classroom, while under the supervision of the teacher.

DISCIPLINE & SUSPENSION/EXPULSION POLICY

(Section 65C-22.006(4)(c)2., F.A.C., requires that parents are notified in writing of the disciplinary practices used by the childcare facility.)

We believe that children learn through positive reinforcement and direction aimed toward desired behavior. Every attempt will be made to maintain Christian disciple and treat children with love and fairness in accordance with God's word. Strategies will include:

- Talking with the child and telling them of our confidence that they can do better.
- Re-directing the child's activities.
- Placing child in time-out; and
- Meet with child and parents if behavior continues.

We will NEVER hurt, embarrass, or humiliate a child for any reason! We will ALWAYS praise, hug, encourage and reward for good behavior.

Any child who bites, kicks, hits, scratches, spits, uses vulgar language or commits any other violent act may be sent home immediately at director's discretion. First Presbyterian Preschool reserves the right to suspend or expel a student upon repeated occurrences. We will counsel and work with parents to meet the behavior needs of each student.
